# What is ParentLIVE?

ParentLIVE is an essential app for parents. It raises parents' involvement in their children's education and support them in taking corrective actions through timely notification of any child issues.

## Why ParentLIVE?

**Because ParentLIVE allows parents to:**

- Access a child's attendance, assignments and reminders
- View counts for attendance types for each course with details
- Switch between multiple children in the same school at any point from any screen
- Login using the same credentials for CLG

## Downloading steps

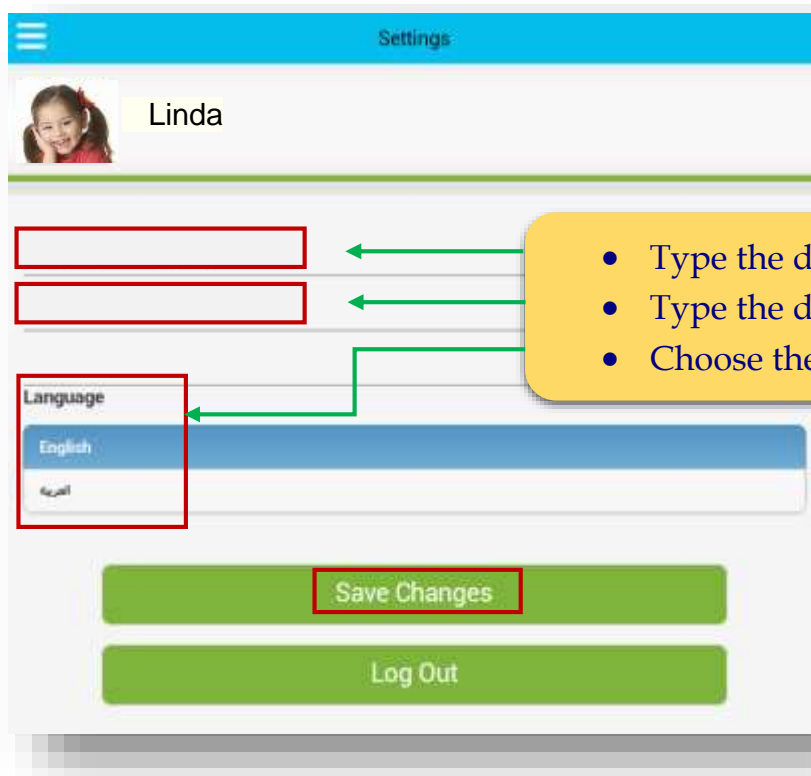

ParentLIVE

1 Open Play store or Apple store

2 Type "ParentLIVE" in the search
